

Senator Josh Hawley
Thomas F. Eagleton U.S. Courthouse
111 South 10th Street, Suite 23.360
St. Louis, MO 63102

Dear Senator Hawley,

Hunger is reaching historic levels. The COVID-19 pandemic continues to devastate communities across the United States with a disproportionate impact on people of color, and to worsen hunger and poverty around the globe.

The pandemic has exposed vulnerabilities in our safety net and food systems. And child hunger, both in the U.S. and abroad, has skyrocketed. Specifically, Congress should:

- Make the Child Tax Credit (CTC) in the American Rescue Plan permanent and available to all children regardless of immigration status. The CTC expansion would move millions of children out of poverty, as well as help reduce hunger and narrow the racial wealth gap exacerbated by the pandemic's economic effects.
- And increase U.S. leadership and funding for global nutrition programs, without which an entire generation may be denied their God-given right to flourish.

Now more than ever, my Catholic faith calls me to stand alongside those in my community and around the world who have been impacted the most by the pandemic. Let us work together to ensure U.S. policies help people move out of poverty and feed their families in the U.S. and around the world.

Thank you for your time and attention.
